

Computational Techniques for Tabletop Games Heritage (GameTable)

WG5: Education, Implementation, Dissemination

Hybrid Meeting

March 24–25, 2025

Ex-Cartiera Latina: Via Appia Antica, 42, 00179 Roma RM, Italy

Meeting link: <https://hou.webex.com/meet/moullou.theodora>

Meeting Agenda

Day 1 – March 24, 2025

09:00 – 09:30 | [Registration & Welcome Coffee](#) ☐

09:30 – 09:45 | **Opening Remarks & Overview of WG5 Activities** (*D. Moullou & B. Carè*)

09:45 – 10:30 | **WG1–WG4 Short Presentations: How Can WG5 Contribute?**

Short presentations from the other working groups outlining their objectives, ongoing projects, and identifying areas where WG5 can assist with education, dissemination, and implementation:

- **WG1:** Search, Planning, Learning, and Explainability
- **WG2:** Cultural Heritage of Games
- **WG3:** Automated Game and Puzzle Design
- **WG4:** Mathematics in Games

10:30 – 11:00 | **Discussion on WG1–WG4 Presentations: Strengthening Collaboration**

Open discussion on ways WG5 can support and collaborate with the other working groups. Focus on practical steps, joint initiatives, and cross-WG synergies.

11:00 – 11:15 | Coffee Break ☐

11:15 – 12:30 | Strategy Session - Strengthening WG5/Gametable's impact

A structured discussion on defining and refining WG5's strategic priorities for education, implementation and dissemination. Topics include:

- Developing a Dissemination and Visibility Plan (identifying key-target audiences, selecting appropriate communication channels, and ensuring long-term engagement)
- Best practices for making research outputs more accessible (open access materials, interactive resources, etc.)
- Planning conference materials and participations
- Engaging Museums and Heritage Organizations (how to establish and strengthen partnerships with cultural institutions; identifying Institutions interested in tabletop research and AI; co-developing exhibitions / educational programs and digital resources, e.g. podcasts)
- Exploring potential collaboration with Educational Institutions
- Organizing Educational Events & Outreach

12:30 – 13:45 | Lunch Break 🍴

13:45 – 15:30 | From Santorini to Rome: WG5 Subgroup Lightning Talks – Progress & Next Steps

Presentations from WG5 subgroups showcasing progress made since the previous meeting in Santorini, key achievements, challenges faced, and plans moving forward.

15:30 – 17:00 | Field Visit to Appia Antica Park

Day 2 – March 25, 2025

09:00 – 09:30 | Registration & Morning Coffee ☐

09:30 – 11:00 | WG5 Focus Groups – Advancing Research from Santorini meeting

Building on discussions from the Santorini meeting, the focus groups will assess progress on their assigned tasks, refine methodologies, and address emerging challenges.

11:00 – 11:15 | Coffee Break ☐

11:15 – 12:45 | WG5 Focus Groups – Implementation & Next Steps

A continuation of discussions, focusing on concrete action plans, task refinement, and future collaborations.

12:45 – 14:15 | Lunch Break 🌐

14:30 – 15:30 | Focus Group Outcomes & Plenary Discussion

Presentation and synthesis of key takeaways from the breakout sessions.

15:30 – 15:45 | Coffee Break ☐

15:45 – 17:00 | Defining Next Steps and Responsibilities

Strategizing for the next phase:

- Identifying key actions for the next six months
- Assigning roles for specific dissemination and educational initiatives
- Outlining a roadmap for the next WG5 meetings and the WG5 Training School

17:00 | Field Visit to Colosseum & Imperial Fora
